Has He Found a Cure for Asthma?

Simple Prescription Gives Instant Re-lief-Makes Breathing Easy.

In New, England, where bronchial asthma, bronchitis and other disease of the throat and lungs are so prevalent, remarkably successful results ar being reported following the use of new form of treatment known as Oxidate a physician's prescription.

being reported following the use of bew form of treatment Enown as Oxidaze, a physician's prescription.

Oxidaze is a harmless but powerful combination of curative essential oil concentrated and compressed into small tablet. One of these tablets allowly dissolved before going to be seems to have the effect of releash the muscular constriction of the bronchial tubes opening up the air passage and regulating spassmodic lung action the muscular constriction of the bronchial tubes opening up the air passage and regulating spassmodic lung action. This enables the patient to breath easily and naturally while lying down and to get a comfortable night's sleer. So much interest has been shown that local druggists, including lee? Oxgood Co., have secured a small supply and state that they are authorized to refund the money paid for the first package if in any case this new treatment fails to give relief. Oxfoase is pleasant to take, contains no harmful healt forming drugs and is not expensive. This makes their test an easy uster.

members of the bonus board. There are several candidates for the place and the board does not expect to make the appointment for a week or two. Corporal Dower is an expert book-keeper and has been trained in accounting. He can now use his left hand in writing.

A bill before the judiciary committee would permit the trust companies of Rhode Island to purchase the bonds or other obligations of the government of Great Britain, France, Canada or any of its provinces, Italy, Belgium, Norway, Sweden, Denmark and Switzerland, or the joint bonds of the government of Great Britain and France.

France.

The bill provides that securities purchased must have a definite and fixed date of maturity that they must be the direc obligations of the government and that in the aggregate a sum not to exceed two per cent. of the savings deposits of any one company may be invested. The Washington Trust company and a branch of the Industrial Trust company are located in Westerly.

Sheriff Jake B. Willow with the

Sheriff Jehn R. Wilcox, with the sheriffs of the other counties of the other characteristics and endorsed prospective legislation heavily increasing fees for serving civil processes. It is said there has been no increase in fees for fifty or more years. The bill will be introduced in he general assembly within a few

days.

At the caucus of republican members of the general assembly, Representative William R. Fortin, of Pawtucket, was the unanimous choice for speaker of the house to succeed Arthur P. Sumner, who goes to the superior court bench. He was nominated by Representative J. B. E. Brazeau, of Pawtucket. The nomination was seconded by Representative Samuel H. Davis, of Westerly, who was candidate for speaker, but who withdrew just before the caucus convened.

Two bills of local interest were in

Ty, D. Harold Rogers, William H. Claphash, Richard J. Butler, Arthur L. Trotman, George Davison, Charles P. Cottrell.

Health and Sanitation—Dr. John Champlin, Dr. John L. May, Dr. A. H. Spicer, Jr., Dr. Frank I. Payne Dr. Alex Ferguson, Charles H. Davey, Robert Drysdale, Jr.

Membership Committee—Harold D. Livingstone, Joseph Lenihan, Frank L. Furnace, Robert Duff, Lewis, Solomon, Ivvine O. Chester, Charles E. Stewarl.

present congestion is relieved.

Mrs. Beillow of Providence, field director, will address a meeting of the
Westerly Girl Scouts Monday afternoon next.

STONINGTON

At the annual meeting of Neptune Hose company officers were elected as follows: James P. McCort, foreman; Christopher J. Ledwidge, Anselm B. King, assistants; William McGowan, secretary; John W. Chamberlam, treasurer; William D. Higgins, steward; Joseph De Bragga, James R. Leahy, Albert J. Robinson, investigating committee.

The parochial residence of Rev The parochial residence of Rev. James E. O'Brien, rector of St. Mary's church, situated on Water street, is one of the landmarks of the borough built in the latter part of 1780 or the early part of 1800. The house has been the home of four clergymen who have served churches of their denomination here and is now owned by St. Mary's church. The structure has been here and is now owned by St. Mary's church. The structure has been changed and added to so that only a little of the original is left. A recent change in the entrance made access direct from the sidewalk instead of the long veranda as of many years. This property is considered one of the most valuable on Water street.

Elisha Clark and Jarvis Wood each hrought in 11 bushels of scallops Wednesday. The wholesale price is \$4 a gallon, wholesale. Several other fishermen brought to market catches averaging about 800 pounds each. It is expected that the local markets will be well stocked for Friday, especially as the express embargo is now on.
